Items 8.6 – RULES	
<b>8.6.1</b>	<p>The 7th Edition of the TFA Playing Rules (six a side) will apply unless otherwise stated. Rules can be viewed from the TFA website.</p> <p>A proposed 8<sup>th</sup> edition rules will be scheduled for implementation for 1<sup>st</sup> July 2019.</p> <p>Please view specific event conditions of entry for confirmation of rules that will apply.</p> <p><b>Drop-Off</b></p> <p>After regulation time, when a defending team who has had previous possession knocks the ball down, the touch count will re-start rather than the game ending at that point. In this instance, the attacking team has not lost possession and therefore play should continue.</p> <p>In the instance where three touchdowns have been scored in three consecutive or equivalent sets of six during drop-off by alternate teams, the team that did not tap off at the start of the drop-off will have a right of reply in order to score a touchdown. This right of reply will continue until a team fails to score off a set of six.</p> <p><b>Interchange Area</b></p> <p>The interchange Area will be positioned at halfway on both sides of the fields.</p> <p>In the unfortunate circumstance where a shared sub box is required (due to safety compliance), a coin toss will be conducted by the field Match Officials at the start of the game. The winner of the coin toss will select which end of the sub box they will use for the duration of the game.</p> <p>Substitute players must remain in their interchange area for the duration of the match. All substitutions must occur from the marked Interchange Area and field of play and only after the substituted player has crossed the boundaries and entered the interchange area.</p>

	<p><b>Breakaway Rule</b></p> <p>The standard breakaway rule shall also apply. Where a player in possession has no opponent between themselves and the score line, a defender cannot enter one end of the Interchange Area, with the substituting defender exiting from the opposite end. Should such a situation occur, with the substitute defender's presence preventing a touchdown, the Match Official will automatically award a penalty touchdown and send the offending defender off for the remainder of the game.</p> <p><b>Coaching Positions</b></p> <p>A Coach may position themselves at the end of the field of play. If they are at the end of the field, they must remain at least 5 metres from the dead ball line.</p> <p>Any coach/manager or other designated team official at the end of a playing field cannot issue any verbal or physical commands directly to the team they are observing and can only communicate to the team or other team officials in the Interchange Area by either returning to the interchange area and/or by use of electronic communication equipment.</p> <p>Any person found to be disregarding this tournament rule will be asked to return to the interchange area. Coaches are reminded that they are under the jurisdiction of the Tournament Conditions and the Match Official regardless of being either in the interchange area or at the end of the field.</p> <p>Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action.</p> <p><b>Forced Substitution</b></p> <p>This is an option available to referees when; they believe an offence, a Period of Time is too harsh, a penalty is not quite enough or if they believe a player needs a 'cooling off' period.</p> <p>If this occurs, the signal is both arms crossed and above the head, similar to a half-caught signal – only higher.</p> <p>The replacement player must be off the field, before the substitute can enter, as per replacement rules. However, the game should continue while the players are changing.</p> <p><b>Mexican Standoff</b></p> <p>Should a referee deem that the defence is not moving forward, then they may penalise the offending team as per Rule 11.6 of the TFA Playing Rules. In the circumstances of continual and disruptive play related to non-compliance, the referee may place a player from the offending team on the sideline and be unable to re-join play until such time as their team retrieves possession.</p>
<b>Items 8.7 – FORFEITS</b>	
<b>8.7.1</b>	<p>Teams must attend their playing fields at least five minutes before the commencement of their match or advertised time for Grand Finals.</p> <p>It is the responsibility of each Captain to report to the Match Official two minutes before the commencement of the game or advertised time for Grand Finals so that the toss of the coin can be affected without loss of time.</p>

	<p>If a team is not at the field at the advertised starting time of the toss, the attending team can be awarded the winning of the toss.</p> <p>The offending team will receive a maximum of five (5) minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.</p> <p>If the offending team is not in attendance after the five (5) minutes has expired, the game will be deemed a forfeit and the non-offending team will be awarded the win with a 5-0 score. The offending team will receive a 0-5 score and receive negative points as indicated above. The offending team will be penalised one touchdown after the first minute and one touchdown for every minute thereafter up to five (5) minutes. E.g. Three minutes equals 0-3 score.</p>
<p><b>8.7.2</b></p>	<p>Upon conceding a forfeit, the Affiliate Coordinator / Team Contact or appointed representative of an offending team will be required to show cause to Tournament Management by the end of the match in question why their team should not be excluded from participation in any further matches.</p> <p>Tournament Management and/or appointed Disciplinary Tribunal Chairperson will decide upon receipt of the report if the offending team's action warranted the need to forfeit the match. The team will potentially then be ruled ineligible to participate in the respective final series.</p>
<p><b>8.7.3</b></p>	<p>If a team is forced to forfeit in the final series, the team's Tour Leader must submit in writing the reasons for their forfeiture as per the above process. It must be then approved by Tournament Management or appropriate penalties will apply.</p>
<p><b>Items 8.8 – DETERMINATIONS FOR FINAL POSITIONS</b></p>	
<p><b>8.8.1</b></p>	<p><b>Forfeit Affected Positions</b></p> <p>If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the preliminary rounds, the forfeit may cause some obvious problems.</p> <p>When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in final calculations.</p> <p>Similarly, for the other teams that finish on equal points, they will have the 'for and against' from that forfeited team deducted their total. For teams involved in competing against teams on two occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round.</p> <p><b>Example:</b></p> <p>Team C forfeits to Team A in game three (first Round)</p> <p>Team A wins 5-0 on forfeit</p> <p>Team B defeats Team C, 5-3 in game four (first Round)</p> <p>If after the Round Robin series, the 'for and against' is:</p> <p>Team A, 50 for and 10 against (+40)</p>

	<p>Team B, 60 for and 20 against (+40)</p> <p>The above results would be deduced first, and the result is:</p> <p>Team A, 45 for and 10 against (+35)</p> <p>Team B, 55 for and 17 against (+38)</p> <p>Therefore, Team B would gain the higher position.</p>
8.8.2	<p><b>Differential</b></p> <p>The differential is determined by subtracting the total of touchdowns scored 'against' from the amount of touchdowns score 'for'. The team with the best differential will obtain the higher position.</p> <p><b>Example:</b></p> <p>Team A scores 50 for and 10 against</p> <p>Team B scores 40 for and 10 against</p> <p>By subtracting the 'against' from the 'for', Team A would be +40, whilst Team B would be +30.</p> <p>Team A would therefore obtain the higher position.</p> <p>If teams have the same 'difference' the percentage system would then apply.</p>
8.8.3	<p><b>Percentages</b></p> <p>If this system is used, it is easily explained that if the 'difference' is in the 'plus' situation (see above), the team with the least number of touchdowns scored against them, would obtain the higher position.</p> <p>However, if the 'difference' is in the 'minus' situation, the team that has scored the most touchdowns would obtain the higher position.</p> <p>The percentage system is calculated by placing touchdowns 'for' over touchdowns 'against' and multiplying by 100 over 1.</p> <p><b>Example:</b></p> <p>Team A = <math>50 \times 100 = 500\%</math> Team B = <math>60 \times 100 = 300\%</math></p> <p style="text-align: center;"> <math>\frac{50}{10} = 5</math>      <math>\frac{60}{20} = 3</math> </p> <p>Team A would obtain the higher position.</p> <p>If the above systems are unable to decide the outcome, the ROUND Game result will be used.</p>
8.8.4	<p><b>Result of Preliminary Game (count back)</b></p> <p>If all is equal than the result of the preliminary game between the two shall determine the higher position.</p>
8.8.5	<p><b>Drop-Off</b></p> <p>If the result of the preliminary game was a draw, a drop-off will occur with details to be</p>

	communicated by Tournament Management.
<b>Items 8.9 – SUSPENSIONS</b>	
<b>8.9.1</b>	<p><b>Period of Time (POT)</b></p> <p>Any player who receives two (2) periods of time throughout the tournament (not in the same game) will receive an automatic one (1) match suspension.</p> <ul style="list-style-type: none"><li>• Every subsequent period of time (POT) will receive an automatic one (1) match suspension thereafter.</li><li>• A one or two match suspension is to be served on the following one or two games in which the team actually plays.</li><li>• A bye does not count as a game played.</li><li>• A team that wins by forfeit will count, however a team losing by forfeit will not.</li></ul> <p><b>Send Offs</b></p> <p>In the event of a player being sent from the field for the remainder of the game, an automatic two (2) match suspension will apply unless the Disciplinary Tribunal considers further action is warranted.</p>
<b>Items 8.10 – SCORE SHEETS</b>	
<b>8.10.1</b>	<p>It is the responsibility of each team to allocate the appropriate person to sign the Score Sheet at the end of each game. It is recommended that this be a Team Manager or Coach instead of a player. In signing the score sheet the nominated person, on behalf of their team, has acknowledged and accepted the information on the score sheet to be correct.</p> <p>If you do not agree with the information on the score sheet, do not sign the card and lodge a protest via the Affiliate Coordinator / Team Contact within 30 minutes of the conclusion of the game.</p> <p><b>Score Dispute</b></p> <p>If a team does not agree with the score on the score sheet, they are to lodge a protest via the Affiliate Coordinator / Team Contact. The following information is to be provided with the protest:</p> <ul style="list-style-type: none"><li>• The team that tapped off first and direction of play;</li><li>• The order the scoring occurred (including player numbers of both teams);</li><li>• The half time and full-time scores.</li></ul> <p>The opposing team will be called to verify the score. If they do not agree or in the event of inconclusive evidence the score will be recorded as the score that the referees have recorded. Alternatively, video evidence or equivalent can be provided (if available) and the evidence will be used only if conclusive.</p>

<b>8.10.2</b>	<b>Unregistered Players</b> <p>Score Sheets will list all registered players for both teams per Match. No additional players can be written onto the Score Sheet. Players can only be crossed off.</p> <p>If a team believes that the opposition plays an unregistered player/s, they are able to lodge a protest.</p> <p>It is up to the Team Contact to ensure all players are registered before taking the field. If a team is found to have played unregistered players, they will be issued with a forfeit for that game.</p> <p>Match Officials (Referees) will be checking the Score Sheets to ensure all players are registered. QTF reserves the right to take further appropriate action with the team and/or affiliated association for repeated infringements relating to the playing of unregistered players.</p>
<b>Items 8.11 – FORCE MAJEURE</b>	
<b>8.11.1</b>	<p>A) If QTF is unable to perform, in whole or part in any obligation under these regulations of a Force Majeure Event, QTF is relieved of that obligation under these regulations to the extent, and the period it is unable to perform.</p> <p>B) In addition to QTF has no obligation to refund to any individual or team any fees paid if it is unable to perform by reason of a Force Majeure Event.</p> <p><b>FORCE MAJEURE EVENT:</b> for the purposes of these regulations a force majeure event includes but is not limited to any or all of the following:</p> <ul style="list-style-type: none"><li>• Acts of God including flood, drought, earthquake, storm, cyclone, fire, explosion, epidemic; or</li><li>• War or Act of Terrorism; or</li><li>• Riot or civil disturbances; or</li><li>• Permanent injunction of any duly constituted court of competent jurisdiction; or</li><li>• Any fact, circumstance, matter or thing beyond the reasonable control of NSWTA.</li></ul>
<b>Items 8.12 – WEATHER</b>	
<b>8.12.1</b>	<b>Hot Weather brief summary of policy</b> <p>In the event that games need to be rescheduled due to hot weather, it will be replayed at a later time on the same night or earlier the next day (as practically applied).</p> <p>Games will not commence if the temperature exceeds 38 degrees, games will be postponed until such time that the temperature decreases.</p> <p>If the temperature reaches 35 degrees, any games underway will be completed and any subsequent games will be played as halves, thirds or quarters with a 2-minute break between periods. Refer to the <b>Conditions of Entry for that event</b>.</p> <p>QTF will return to the regular format, guided by a drop-in temperature back below 35 degrees.</p> <p><b>Weather Affected Matches</b></p> <p>Rescheduling of Rounds or Matches affected by weather will be moved to the next available timeslots, fields or rounds (where practical). NSWTA reserves the right to</p>

	<p>organise the affected games in whatever format which will assist the games to occur in as equal conditions as possible.</p> <p><b>Rescheduling of Matches</b></p> <p>If due to any other extraordinary circumstances that a game cannot be completed to full time, the game may be rescheduled as soon as possible at a time and on a ground arranged by Tournament Management in consultation with both Teams.</p> <p>If the game has commenced, and cannot continue to 50% completion, the following will apply:</p> <ol style="list-style-type: none"><li>1) The game will start from the beginning and must be completed up to the regulation full time.</li><li>2) The score will commence at 0-0. Any game that has 50% of time or more completed, the score at that time will be deemed to be the final result of the game.</li></ol> <p>If due to time constraints or any other reason that a game cannot be rescheduled the following will occur:</p> <ol style="list-style-type: none"><li>1) Games that did not continue to 50% completion will be abandoned and a 0-0 score will result.</li></ol> <p>When any type of weather affects a finals series, where games need to be cancelled, the top team in each pool will be awarded joint champions.</p> <p>Note: QTF reserves the right to judge and adjust to suit the conditions as required. For events that play in a non-break touchdown turnaround format, half time will be deemed as 50% of the time left in the match.</p>

## SECTION 9. PROTESTS, DISPUTES, DISCIPLINE

### Items 9.1 – COMMUNICATION WITH REFEREES (COACH- REFEREE)

<b>9.1.1</b>	<p>To prevent heated confrontations and/or the escalation of incidents occurring at a Touch Football game, a Coach and/or Team Manager are encouraged to have respectful and ongoing communication prior/during any game. This includes the answering of general questions only and does not prohibit the Coach and/or Team Manager to abuse and repeatedly question the Match Official(s).</p> <p>If a junior Match Official is allocated to the game, the Coach and/or Team Manager should direct all general enquiries and communication to the senior Match Official of the game. If any communication between a Coach / Team Manager / Match Official becomes aggressive and/or confrontational, communication between all parties is to cease immediately.</p> <p>Note:</p> <ul style="list-style-type: none"><li>• No person is permitted to approach a Match Official (Referee) after the game has concluded and Score Sheet signed. Similarly, no heated exchanges are to occur with Referee Coaches or other Event Official in the vicinity.</li></ul> <p>Zero Tolerance Policy – TFA Discipline Protocol</p>
--------------	---

To ensure a safe and enjoyable playing environment for all spectators, players, volunteers and officials, QTF has adopted a Zero Tolerance policy for inappropriate behaviour for any person that attends a QTF event and does not adhere to the Code of Conduct. This will ensure that:

There will be zero tolerance shown towards any inappropriate or abusive behaviour from spectators, players, volunteers and officials.

Any spectator and/or participant who feels the need to:

- Persistently or wilfully question or challenge the ruling of a Match Official
- Berate or abuse Event Officials e.g. Ground Staff/Referees
- Berate or abuse Volunteers
- Berate or abuse Players
- Berate or abuse other Spectators

The unacceptable behaviour will be addressed with the following process to occur (during a Game):

1. A Match Official is to provide the Player/ Coach / Team Manager and/or Spectator with a first and final warning to stop. **This action must be noted on the game Score Sheet.**

2. If the Player/ Coach / Team Manager and/or Spectator has been warned and still continues with unacceptable behaviour, the Match Official is to:

- a. Stop the game and locate an event Official to address the incident further.
- b. If no event Official can be found, try to ignore the antics and progress with the game as best as possible. **At this point a Forced Substitution is appropriate.**
- c. If after a Forced Substitution of Captain has been taken but the bad behaviour of the individual continues – **a Period of Time is appropriate.**
- d. If the behaviour is still not ceased – **Send off.**

3. At the conclusion of the game - the Match Official(s) and/or Event Official are to submit a report on any breach of the Zero Tolerance policy before the next Round of Games finish.

4. Tournament Management will then review the Incident Report and decide on whether further action is required under the Disciplinary Regulations.

Referees are encouraged to follow the below sequence of disciplinary protocols when dealing with instances associated with ensuring an abuse and harassment free environment.

This action has unfortunately become necessary due to the reported instances of inappropriate and abusive behaviour at junior events. QTF endeavours to provide a safe, competitive and friendly environment for all participants.

The sport depends on the development and support of Match Officials, Accredited Volunteers and Players and this Zero Tolerance approach is not aimed at stifling or diminishing healthy support, cheering, or the ability of spectators to enjoy the spectacle of the sport. Rather to ensure that it is done in an appropriate manner under the Code of Conduct.

### Items 9.2 – COMPLAINTS AND PROTESTS

#### 9.2.1

QTF recognise that all parties wish to have the opportunity, should a situation arise, to have their position heard and/or considered.

A 'complaint' may be dealt with informally or formally through the lodgement of an official Protest.

QTF aims to provide a simple dispute resolution process for complaints based on procedural fairness. Any person (a complainant) may report about a person(s) and/or organisation.

QTF reminds all parties that the following issues will not be open to protest:

- **Rule 18.2** – The Referee: The referee is the sole judge on matters of fact and is required to adjudicate on the rules of the game during play. The referee may impose any sanction necessary to control the match and in particular award penalties for infringements against the rules at his/her discretion and interpretation.
- **Rule 18.3** – Authority of the Referee: Players and Accredited Volunteers of both teams are under the control of the officiating referee, during the conduct of a game/match.

The complainant can bring to the attention of Tournament Control any matter associated with the above Rules to enable discussion and clarification with relevant Officials (Referee Panel, Referee Coach and subsequently the referee) as required.

#### 9.2.2

Protest and Dispute matters will be heard and determined by either the QTF Judiciary Panel or a Protest and Dispute Committee as appointed by QTF.

The Protest and Dispute Committee will be chaired by the appointed delegate of QTF, in the case of a Judiciary it will include at least two further members.

	All Judiciary matters will be handled via the QTF Disciplinary Policy. Any hearings will be heard in accordance with the TFA Disciplinary Regulations.
9.2.3	<p>If a team does not agree with the score on the score sheet, they are to lodge a protest. The following information is to be provided with the protest:</p> <ul style="list-style-type: none"> <li>• Who tapped off</li> <li>• The order the scoring occurred (including player numbers of both teams)</li> <li>• The half time and full-time score</li> <li>• The NSWTA issued Scoring form.</li> </ul> <p>The opposing team will be called to verify the score. If they do not agree or in the event of inconclusive evidence the score will be recorded as the score that the Referees have recorded.</p> <p>Alternatively, video evidence can be provided, and the evidence will be used if conclusive.</p>

**Items 9.3 – FORMAL PROTEST PROCESS AND/OR INVESTIGATION OF A BREACH**

9.3.1	<p>QTF encourages in the first instance, you (the complainant) should try to sort out and resolve the problem with the person or people involved (the respondent) if you feel able to do so.</p> <p>If an informal complaint/ resolution process cannot occur, follow the Formal Protest Process:</p> <p>Step 1 – Making a formal complaint through lodging a Protest</p> <ul style="list-style-type: none"> <li>• Affiliate Coordinator must lodge a formal protest within 30 minutes of the conclusion of game or an appropriate Tournament Management determination.</li> <li>• Upon receiving the formal complaint or if a potential breach of the rules or Conditions of Entry of the event has occurred Tournament Management will decide how to best proceed.</li> </ul> <p>Step 2 – Investigation of the Protest or Breach/ Score Card dispute</p> <ul style="list-style-type: none"> <li>• A person appointed by Tournament Management will investigate and determine what further action will be taken;</li> <li>• If the protest is referred to mediation, to resolve;</li> <li>• If the protest or breach is referred to a hearings tribunal, in accordance with the Disciplinary Regulations;</li> </ul> <p>Step 3 – Resolution</p> <ul style="list-style-type: none"> <li>• Tournament Management will document the complaint or protest, the process and the outcome. The Affiliate Coordinator or their nominated representative will be notified of the decision.</li> </ul> <p>Step 4 – Reconsideration of initial outcome or subsequent appeal</p> <ul style="list-style-type: none"> <li>• If, under this process you are not satisfied you may request that Tournament Management reconsider the complaint or protest through the appeal process.</li> </ul> <p>Refer to the TFA Disciplinary Regulations for a complete outline of Disciplinary Process.</p>

## SECTION 10. ADDITIONAL POLICES

### Items 10.1 – TFA & QTF POLICES

#### 10.1.1

It is the responsibility of each Affiliated Association to ensure that their respective teams behave in the manner as detailed in the:

- TFA & QTF Constitutions
- TFA Member Protection Policy
- TFA Disciplinary Regulations
- TFA Code of Conduct
- TFA Extreme Weather Guidelines
- QTF General Conditions
- QTF Conditions of Entry

All documents available from TFA & QTF websites:

[www.touchfootball.com.au](http://www.touchfootball.com.au)

[www.qldtouch.com.au](http://www.qldtouch.com.au)

By completing the required Online Registration and agreeing to the National Terms & Conditions (i.e. Membership & Participant Declaration) wording, the participant agrees to comply with all applicable policies.

### Items 10.2 – MEMBER PROTECTION

#### 10.2.1

Member protection is a significant issue both within the community and within the sports environment. TFA has a moral responsibility to ensure we are remaining valid and current with Member Protection issues related to the members of TFA.

One initiative that TFA is currently adopting as an education process on the issue is 'Play by the Rules' program available at [www.playbytherules.net.au](http://www.playbytherules.net.au). This website has several interactive courses that coaches and officials can undertake to learn more about Member Protection. Below is the statement from the home page of the Play by the Rules website.

Play by the Rules provides information, resources, tools and free online training to increase the capacity and capability of administrators, coaches, officials, players, parents and spectators to assist them in preventing and dealing with discrimination, harassment, child safety, inclusion and integrity issues in sport.

Play by the Rules is a partnership between the Australian Sports Commission, Australian Human Rights Commission, all State/Territory departments of sport and recreation and anti-discrimination and human rights agencies. The information on Play by the Rules is not intended to be, none should it be relied upon as, a substitute for legal or other professional advice.

QTF will encourage each official attending QTF events to complete the online course. The course is relatively easy, informative and takes limited time to complete.

### Items 10.3 – SUPERVISION OF UNDER AGE PLAYERS

#### 10.3.1

. Affiliated Associations are to be reminded that they are responsible for the direct supervision of any player or official who is under the age of 18 years. All steps should be

	<p>under taken by an Affiliated Association to protect these people from all forms of harassment. This includes ensuring that:</p> <ul style="list-style-type: none"> <li>• These minors must be made fully aware of the TFA Code of Conduct</li> <li>• All officials comply with the relevant child protection laws</li> <li>• That when travelling to, during and from the tournament all care is taken to supervise minors.</li> </ul>
<b>Items 10.4 – CHILD PROTECTION</b>	
<b>10.4.1</b>	<p>All Affiliate Coordinators will be responsible for making sure all staff and volunteers involved with children who are under the age of 18, are compliant with the Working with Children Checks laws in their relevant State.</p> <p>It is the responsibility of the Affiliated Association to collect this information from staff or volunteers, keep on record and check that the card is valid, before they enter Queensland.</p>
<b>Items 10.5 – WATER SAFETY</b>	
<b>10.5.1</b>	<p>Many Affiliated Associations use ice baths for their athletes and there are also a number of young children that attend the event. Therefore, it is vital that proper supervision occurs and that an adult always watches children around water, because drowning can occur in less than a minute and without hearing a thing.</p>
<b>Items 10.6 – FOOD HANDLING</b>	
<b>10.6.1</b>	<p>Many Affiliates and teams arrange lunches or snacks for participants during their touring levies and or pooling groceries and food. It is important to note that handling food for groups can be a major risk factor with food poisoning or spoiling. NSWTA reminds Entities that they need to have processes and policy around the individuals that are responsible for these aspects. Please visit <a href="http://www.foodstandards.gov.au">www.foodstandards.gov.au</a> for more information.</p>

The QTF General Conditions of Entry are to be read in conjunction with the Specific Event Conditions Entry, which can be found on the QLD Touch Football website.
